Dear Friends and Family of St. Joseph School and Parish,

One week ago, I lost the most important thing in my life, my son Christopher Adam Myers. To me, he was the world. To each and every one of you he was something special, amazing, and your world, too.

I can tell you that at this time last week, I wasn't thinking about planning a funeral or the fact that I'm going to have endless nights of not sleeping or eating. Actually I am a planner. What I was really doing was planning our summer vacation before he was to undergo a possible surgery for his kyphosis (back curve) in Mid July. I was even giving thought to High Schools. Where would he go? Even though he had plenty of time but the thinking was there. Not for a funeral though.

Christopher is now in a much better place. I am actually a little jealous. His faith was very strong. He knows he was loved by all of you. We as his family know this too. This is why I am writing to all of you, our friends and family to thank you for making him feel special, wanted, loved, and cared for.

Thank you for your heart felt cards, donations, thoughts, feelings and all of this wonderful food. Never realized such wonderful cooks exist in this parish.

The luncheon was absolutely delicious and appreciated. It took just one more concern off our family's mind.

This is very important ... Christopher was one who worried about the less fortunate, the homeless. He worried where they went; are they hungry; are they safe? We want to let you know that with the leftover food from the luncheon, his Uncles Jim, Ed and John (my brothers), and his Grandpap were able to feed 6 Hunger Shelters in Pittsburgh, part of a Pittsburgh Fire Dept, and some of the Pittsburgh Police Department.

Wow! Wow! Wow! Now that is amazing and awesome – That was Christopher. This is what he would want us to do.

I know in my heart Christopher is watching over us all in our daily lives.

With heartfelt thoughts and love  
Never to be forgotten,

Anne Myers-Long and Bill Long and the entire Jablonski Family
